

# Wantage Neighbourhood Plan

## YOUR CHANCE TO HELP SHAPE THE TOWN'S FUTURE AND WIN A SHOPPING VOUCHER (SEE OVERLEAF)

In a few months' time, you will be asked for your views on the draft Wantage Neighbourhood Plan. This Plan will set out what we, the residents of Wantage, want our town to look like in the future. It will be used by planners to help ensure that new housing, roads and services meet our changing needs as a community and preserve the character of the town and the countryside around it.

Everyone needs to have their say about their community's future, so all Wantage residents will soon receive a questionnaire, asking for their views. Before we can write the questionnaire, we need to understand more about what sort of new housing works best for residents. We are preparing a Plan that will amongst other things consider design issues for future housing developments in the town. As you live in a property that has been completed within the past ten years, we would be very interested in your views. Please could you take a few minutes to answer the questions below and comment over page.

### How would you rate your home for the following (please circle):

	Poor			Good
